C6AK-RTTRD-WWRDS-
3YYX11-KPO5P In both
the previous version of MS
Office (Office 2007 and
Office 2010) you are
required to register for a
key to download and use
it. Now with the latest
release (MS Office 2010

professional plus) the key and activation information are not readily available. A product key or the license key is required to activate the installed software. to get the product key you need to follow the below steps given below in the picture. Windows:
