What's new in Fifa 22:

- **The Skillshots and Super Deluxe packs will be available from the patch day of launch in North America and Europe on September 10th. Ultimate Team has been updated with the new packs, including a Herbalist and Super Wings that can also be used to unlock free multipliers in Skillshots. You can buy Super Deluxe packs via store, and the price of the packs will increase with the number of new content in the packs. Compared to the previous generation of FIFA games, the new packs are not a substitute for a full game, but you can enjoy the new pack for a short period after the patch - so try them out.**
- **Career, Weekly, Daily, Season, and Tour are all available achievements for FIFA 22. These achievements will be available in game from the moment you start playing with the new 'Live in Action' camera option.**
- **Matchday can now occur during Season.**
- **There will be a free FIFA World Cup® 20 pack available in game, and all players that pre-order FIFA World Cup 20 (now available at participating retailers) will receive a free FIFA World Cup 20 pack. This pack includes an FCO Pass that will be associated with your monthly Xbox Live Gold membership when you activate your membership. This pack will not be available at the time of release.**
- **Reactivation of previous FIFA Ultimate Team packs via Xbox Live accounts is now available, and these packs can be used in Career or Draft.**
- **Reviving an Xbox Live account with its associated pass is now required to earn Points in Draft. It is no longer required if you have previously activated an account on FIFA Ultimate Team.**
- **Premium packs are no longer created, and**

Platinum packs have been replaced with Hero's packs.

- **New all-new Player Profiles UI for additional players, and improved animations for Teammates, Co-Teammates and goalies.**
- **Player have new realistic reactions when taking certain actions, such as Tactical Awareness when celebrating a goal or Interception when defending.**
- **Uniform set for Player and Goalie with additional items, for a more immersive immersion for players.**

Discover more than 25 teams and 1,000 individual players – including the new and exclusive squad of captains – and create the best team in the world. Features New Season, New Rules: Embark on a journey through the biggest period in FIFA history with the introduction of a new year featuring the biggest in-game roster overhaul since 2015. Never-before-seen World Cup Qualifier and newly-revealed World Cup Host Match – create your dream squad as you chase a World Cup ticket and face-off with the host nation in the full impact of a new ball physics system and a brand-new Match Day™. Introducing UEFA Nations League – FIFA 22 introduces its first ever competitive league across 12 nations: England, France, Germany, Italy, Russia, Spain, Sweden, Switzerland, Turkey, Ukraine, the Netherlands and Wales. Multiple competitions, multiple schedules, multiple leagues – play a number of unique matches over the course of a year as you chase silverware in a variety of leagues. The featured competitions are Europe, CONCACAF, AFC, CAF, CONMEBOL, CHL, UEFA Champions League, CONMEBOL Libertadores, UEFA Europa League and UEFA Super Cup. Give 'er Diaries: New career advancements deliver relevant and meaningful progression between every career path – which also offers more than 30 new story-driven career moments. From the first-team in your favourite club, to Executive Team director and beyond. Soccer Motion: FIFA 22 delivers a new predictive ball physics system that determines how the ball behaves on the pitch, how it rolls, spins and swerves. This system brings new realism, fluidity and unpredictability to every shot, pass and dribble, changing the way players move and play. Pro-Direct, Pro-No Wing, Pro-Free Kicks: Throughout the game, players can decide to implement specific, offensive or defensive tactics. The new “Pro-Direct” option gives players the chance to take down opponents with a tackle. The “Pro-No Wing” option helps players keep possession by sacrificing one defender for every attacker. The “Pro-Free Kicks” option gives players a rare and valuable ability to take the ball out from the penalty box with a direct free kick. Tactical Crouch and Rotation: Transition into attack by stepping into tactical crouch position – then use the left
